## 5 - FallDetail

2

The mockup shows a mobile application interface for viewing case details. At the top, there is a back arrow and the title 'Fall FA123'. Below this is a table with two columns. The first column contains labels: 'Art', 'Erstellt', 'Info 1', 'Info 2', 'Info 3', and 'Info 4'. The second column contains the corresponding values: 'Diebstahl', '1. April 2017', and four instances of 'Single-Line List'. At the bottom of the screen, there are two buttons: 'Bild aufnehmen' (with a camera icon) and 'Datei auswählen' (with a plus icon).

## 6 - FallErstellung

The image shows a mobile application interface for creating a new case. The screen is titled 'Neuer Fall' (New Case) with a back arrow on the left. Below the title is a form with six rows. The first row is for 'Fallnummer' (Case Number) with a 'Text Field'. The second row is for 'Art' (Type) with a dropdown menu labeled 'Art auswählen'. The next four rows are for 'Info 1', 'Info 2', 'Info 3', and 'Info 4', each with a 'Text Field'. At the bottom of the form is a button labeled 'Fall erstellen' (Create Case). The entire form is enclosed in a rounded rectangle. The background of the screen is white, and the app is shown within a smartphone frame.

## 7 - ArtErstellung

A mobile app mockup showing a form titled "Neue Art". The form is contained within a rounded rectangle with a header bar. The header bar has a back arrow on the left and the title "Neue Art" in the center. Below the header is a table with 5 rows and 2 columns. The first row is for "Artname" and the subsequent four rows are for "Info 1" through "Info 4". Each row has a text field on the right. Below the table is a button labeled "+ Art erstellen". A dotted line with the number "2" points to the right side of the form container.

The image shows a mobile application interface for 'IMS Mobile App'. At the top, there is a status bar with a signal strength indicator, two dots, and a camera icon. Below the status bar is the app's logo, which consists of a stylized triangle made of four smaller triangles (blue, yellow, red, and white) followed by the text 'ims' in a bold, sans-serif font. Underneath the logo is the text 'IMS Mobile App'. The main part of the screen contains three input fields for login: 'Rest URL' with a globe icon, 'User' with a person icon, and 'Password' with a key icon. Below these fields is a large 'Login' button. A dotted line connects the 'Login' button to a small number '2' on the right side of the image.
